

Cortland Airfest 2014

You're invited to the Cortland County Airport-Chase Field for Airfest 2014! At this exciting event you'll enjoy unique static displays, a fly-in breakfast, helicopter rides, a BBQ and FAA Safety Team seminar. Featured speaker David St. George learned to fly in a tail wheel aircraft and will discuss how to safely learn to fly a tail wheel for fun and proficiency...true "stick and rudder flying!" Bring your concerns and questions and we'll see you there! Click on the link below and register TODAY!

Directions: Please see map link for directions.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
